Directions

From north or south, take northern motorway exit 420. From the south turn right, or from the north turn left, onto Esmonde Rd. Turn right at end of Esmonde onto Lake Rd (towards Devonport), in 2.3 km turn right at Bayswater Ave (McDonalds), in 1.3 km turn right Sandy Bay Rd, turn left Beresford St.

We are the white house at the end of the driveway. There is a high stone wall at the front of the property and a grey house in front of us. Come to our front door which is tucked around the corner beside the parking area at the end of the drive. Please feel free to drive down the driveway and we will organise parking for you.

If you require further directions or information about getting here e.g. from the airport, please let us know and we'll be pleased to help.

(It takes an average of 40 minutes to drive here from the airport but this is very dependent on the time of day and if the traffic is very heavy may take up to an hour or so.)

We recommend airport shuttles as the most cost effective and convenient way of getting here. There are very good, reliable shuttle services from Auckland Airport which will bring you right to our door. You can book ahead if you prefer but it's also possible to just find one if you don't. You will also be able to take a taxi directly here but the cost will be about double the shuttle cost. You'll see the sign directing you to shuttles and taxis when you come through into the airport. Uber is also an option for those of you who use it.

Alternatively, if you plan to use public transport (which is cheaper if you're a single person), Skybus from the airport is a very regular service and will take you to the ferry building in the city** and you may then catch a ferry to either Bayswater or Devonport. Please don't hesitate to let us know if you would like us to pick you up from the ferry in either Bayswater or Devonport – we are more than happy to do so.

We have a link to Airport Shuttle & Taxi services, Skybus website and Ferry timetables and current fares on our website page:

We look forward to seeing you when you arrive – have a safe journey!

** Update November 2016 - Due to changes to roads in the city, Skybus now stops further up Queen St and then there is a free shuttle to the ferry building.
