When you leave the airport follow the main route and the signs that say **Auckland**. You will find yourself on the **South Western Motorway**. The important thing then is to make sure you are in the **left hand lane** and take the exit toward **Queenstown Rd**.

When you have exited, **turn right** (the signs should still be directing you to Auckland).

Go through one roundabout, continuing straight ahead into **Pah Rd**.

In about 1.8 km, the road will make a slight left into **Manukau Rd**.

Travel 2.7km. **Turn left** into **Alpers Ave** at the traffic lights. This is a one way street with 3 lanes and you need to be in the centre lane marked 'Motorway'.

Turn right into **Gillies Ave**. Make sure you are in the left hand lane and then **turn left** to merge onto the **Southern Motorway**. Move over to the centre lane as soon as you can once you've merged onto the motorway.

Keep an eye on the signs to make sure you are in the lanes that head North on the Northern Motorway and take you to the Harbour Bridge.

When you have travelled over the Harbour Bridge, you will be taking the 3rd exit which is **Exit 420 (Esmonde Rd)**.

Turn right into **Esmonde Rd** and continue to the end of the road (you'll go through several sets of traffic lights).

Turn right into **Lake Rd** towards Devonport. Continue about 2.3 kms.

Turn right at traffic lights into **Bayswater Ave**. There is a McDonalds on the corner.

Congratulations, you're now in our neighbourhood!

In about 1.3 kms **turn right** into **Sandy Bay Rd**, then **turn left** into **Beresford St**.

You'll find us at number **46A**, on the left.

Welcome! We are the white house at the end of the driveway. There is a high stone wall at the front of the property and a grey house in front of us. Come to our front door which is tucked around the corner beside the parking area at the end of the drive. Please feel free to drive down the driveway and we will organise parking for you
